### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Webster on April 28, 2005.

The application has been amended as follows:

In the claim:

- a) "the surface side of" (claim 51, lines 11-12) has been deleted
- b) "comprising" (claim 55, line 1) has been changed to: --wherein the plugging step further comprises--.
- c) after "patterns" (claim 60, line 2) inserted --with via holes--.
- d) "via holes." (claim 60, last line) has been changed to: --via holes; wherein the solder resist or insulating resin in the spaces among the first circuit patterns is filled to the same height as the upper surface of the circuit patterns.--.

2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach or suggest the method for plugging via holes in printed circuit board as claimed by the present invention which including a specific limitation of "filling or plugging spaces between circuit patterns, via, and through hole on a circuit board with a solder resist or insulating resin by moving the squeegee under the condition of being abutted directly on the upper surface of the

Art Unit: 3729

circuit patterns, vias and holes to filling the solder resist or insulating resin to the same height as the upper surface of the circuit patterns” in combination with other limitations as set forth in details in each of claims 28, 51, 60 and 61.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donghai D. Nguyen whose telephone number is (571)-272-4566. The examiner can normally be reached on Monday-Friday (9:00-6:00).
